## WHO WE ARE

Project ALTO is a 501(c)(3) non-profit organization focused on increasing access to the outdoors. At the heart of ALTO are military veteran guides leading incredible outdoor expeditions.

## OUR MISSION

We educate, inspire, and enable young people to thrive in diverse, difficult, and changing environments. We create diverse relationships, improve our community, and increase access to the outdoors for all community members.

## ALTO DIFFERENCE

Each ALTO expedition blends military veterans, recipients of need-based scholarships, and conventional clients, creating a dynamic and inclusive hybrid that creates a rich tapestry of experiences and perspectives.

## OUR COMMITMENT

Project Alto provides equitable access to these life-changing experiences by providing scholarships to cover tuition, equipment and expenses for young adults who otherwise would not be able to afford these experiences.
